

Guaranteed Minimum Guest Count & Time Duration

The fees and pricing quoted in the proposal are estimates based on the client's guaranteed minimum guest count and guaranteed time duration. If more guests are served or the caterer's services are needed for additional time not included in the client's estimated time duration, the caterer reserves the right to charge a fair price for the additional food, drink, labor and services required. If fewer guests attend and less time is needed, the caterer will still be paid according to the guaranteed minimum guest count and time duration. *The guest count is required 10 days prior to the event.

Deposit

An initial deposit of \$1000.00 is required to contract the caterer for the event. Upon cancellation of the caterer's services within 31 days of the planned event a full refund of the deposit will be supplied. If the caterer's services are cancelled within 30 days of the event a 50% refund of the deposit will be refunded. If cancellation notice is given less than 20 days before the event, no refund of the deposit will be supplied.

Terms

Terms for payment of the event are the following:

1. The quoted final cost, minus the deposit, must be paid within 5 business days prior to the event.
2. Any added costs due to higher than minimum guaranteed guest counts, extra services or additional duration of services will be billed to the client within 5 business days after the event and must be paid within 20 business days after the event.
3. If payment is not received according to the terms of the contract, the caterer reserves the right to take legal action and charge 30% interest on the final billed amount.

I, _____, hereby contract Joesepi's Italian Ristorante Catering Services as listed and quoted in this proposal according to the terms and conditions herein.
